

CAROLYN STERN

AV RIDER

🎤 AV CHECK

- + Carolyn requires an audio-visual check for a minimum of 30 minutes before she goes on stage.
- + This A/V check will involve testing the sound system, microphones, lighting, her presentation slides, and respective equipment to guarantee a smooth performance.

🔊 AUDIO

- + Carolyn requests one Headset Microphone connected to a professional audio system, and a Handheld Microphone for audience interaction.
- + Access for Carolyn's videographer to plug into your audio system to ensure Carolyn's audio is captured.

📺 PRESENTATION

- + Carolyn strongly prefers at least one confidence monitor, positioned at the middle front of the stage, along with a countdown clock beside it.
- + Carolyn will provide presentation slides (and the necessary fonts) in advance and will bring a backup of her presentation on a USB to the event.
- + Carolyn requires a Perfect Cue Remote to use while she clicks through her slides during her Keynote.

👏 STAGING

- + Carolyn prefers the podium to be pushed back so she may walk in front of it unencumbered.
- + Please have a bottle of water available to Carolyn while on stage.
